

REMARKS

No new matter is added by this amendment. The present application is a continuation application of U.S. Patent Application Serial No. 10/033,783 filed December 27, 2001. By this amendment claims 1-9 are being amended and new claims 10-19 are added. The claims remaining in consideration are claims 1-19.

Applicant respectfully asserts that the pending claims are allowable over the art of record. An early notice of allowance is solicited.

Respectfully submitted,

HOWARD & HOWARD ATTORNEYS, P.C.
